Membership Application

Thank you for your interest in the Ballarat Community Garden (BCG).

BCG welcomes interest and participation in the Garden. As an incorporated association, our rules require that membership applications be submitted on the attached form. They are considered by the BCG committee of management and all applicants are notified in writing of the outcome of applications.

Membership is subject to payment of a membership fee and key deposit. Due to the high demand for membership successful applicants who are seeking a gardening plot or crate may be placed on a waiting list. The membership officer manages this list and allocations. Subject to those applicants still being interested and eligible, membership commences when a place is offered and accepted and the dues paid.

Ballarat Community Garden is a great place to grow, connect and learn. We are all volunteers offering whatever skills and time we can along with other members. The Garden grows and flourishes through these efforts. We encourage new members to participate as fully as they can in our activities, working bees and events and we ask you to consider this when you make your application.

Further information about the Ballarat Community Garden is available on our website www.ballaratcommunitygarden.org.au.

Please fill out the form attached, but do not sign. When completed contact the membership officer (details on form) to make an appointment.
